**Permit ID:** 61556

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** Nadia D Bellamy  
C/o Nix Marine LLC  
77 Head Lane  
Walterboro SC 29488

**LOCATION:** On and adjacent to Whale Branch at 200 Marsh Point Drive (Lot 4), Sheldon, Beaufort County, South Carolina.  
TMS#: R700-036-000-0075-0000.

**WORK:** The work as proposed and shown on the attached plans consists of making additions to an existing private dock. Specifically, a 13'x13' four pile boatlift will be placed off the right of an existing fixed pierhead. The purpose for the dock addition is for the owner's private recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

*To assure review by OCRM, comments regarding this application must be received by OCRM on or before December 29, 2007. For further information please contact the project manager for this activity, Geordie Madlinger at 843-846-9400.*
